Development Update #17

27 October 2009

IT'S CUP TIME

We have finally made it to the final weekend of the club season and we are down to the final 4 teams. Congratulations to Aurora, Oakville, Balmly Beach and Oshawa for making your respective finals.

Saturday will be a great day at Fletchers Fields starting at 1 pm for the Tier Two Final and 3 pm for the Cup.

Well-done and good luck to all officials involved in the day.

In this the penultimate issue of the development update, we would like to you to think about the comparison of refereeing and conducting an orchestra.

Please go to this link and watch the video at TED.com

I think it cleverly illustrates ways to facilitate or lead with various styles. It challenges you to think about the way you present yourself and the way the music (the game of rugby) is affected.

When you watch this excellent presentation try to think how you conduct a game of rugby and how soft skills are used.

Enjoy and really think about the comparison and learning you can take away
